De Lisle Catholic Science College

Bishop Malcolm is encouraging all the Deaneries throughout the Diocese to organise a Day of Celebration of the life of the Church in their area - and to witness to the living presence of the Gospel.

In our Deanery, everyone from the Parishes of Ashby-de-la-Zouch, Castle Donington, Coalville, Loughborough, Measham, Melbourne, Melton Mowbray, Shepshed, Sileby, Syston and Whitwick are all warmly invited to meet, celebrate and share their achievements - and see how we can successfully move forward together.

See you there...
